[Home - Allspark - Energy Specialist](#)

At Allspark, we're committed to providing you with high-performance technology and renewable energy solutions that are as good for the planet as they are for your wallet. Explore our collection and find the perfect fit to enhance your efficiency, comfort, and sustainability

[Well of All Sparks](#)

Much like Animated, Well of Allspark appears to be the afterlife for Transformers. Before fleeing the portion of a cathedral he washed with missiles and bullets to bring it on top of Optimus Prime and Bumblebee, Starscream sarcastically told to Optimus his wishes to see him in the Well of Allspark. Transformers Comic issue 3.1. Aligned

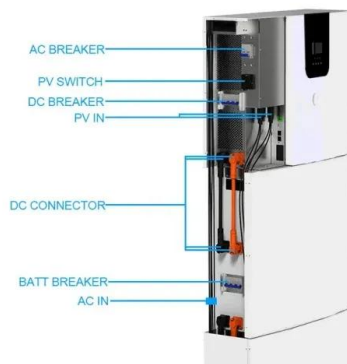

Is the energy from Allspark always "evil"?

The Allspark's energy is neutral, neither good nor bad. The technology we have was reverse engineered from Megatron. The Allspark senses the evil and makes the new life forms evil because of it. If they had been reverse engineered out of Optimus, this would be a much different storyline. In fact I think that could've worked better. Hmm.

Our technology is designed to revolutionize the EV charging ecosystem, making it more sustainable, efficient, and accessible. In addition, as President of the largest NGO in Romania dedicated to ...

AllSpark , Transformers Movie Wiki , Fandom

The AllSpark is an ancient limitless and infinitely powerful Cybertronian artifact. It has the power to bring lifeless technology to life by turning it into sentient, autonomous Cybertronians. It is said to have created the original thirteen Primes, as it is the very essence/spark of the planet's god Primus himself. It is unknown where the AllSpark originally came from, though some sources ...

AllSpark Key

Originally just a security keycard, the AllSpark Key possessed by Sari Sumdac holds a great

power. Given a sliver of the power of the AllSpark, the Key can be used to heal damaged Transformers, give life to machines, and control the machines. An object holds great power, and with great power, there must also come great responsibility.. Sari had a little ...
