Amaron solar battery South Sudan

Overview

Why should you choose Amaron solar batteries for solar application?

Presenting Amaron Solar batteries for solar application is built to perform and fail-safe, fool-proof battery technology produced & tested in our premier manufacturing facility. Built to the highest technical competence in its class and Amara Raja's commitment to bring the best of technology.

Why should you choose Amara Raja solar batteries?

Sensing the need of this enduring and reliable source of power, Amara Raja not only offers the complete range of solar batteries available in the market but also provides expert advice on the choice of battery to suit your particular application.

Are Amaron Inverter Batteries A good choice?

Amaron inverter batteries are compatible with any brand of inverters available in the market, so you are never at a loss for power. When you buy an Amaron inverter battery, you enjoy a completely hassle-free experience as the battery uses a high heat resistant calcium/ultra modified hybrid alloy for its grids which makes it zero-maintenance.

Amaron solar battery South Sudan

AMARON SOLAR

Internal resistance (as per IEC) Approx. 3.71 m Ω for a fully charged battery (27°C) Short circuit current (as per IEC) 3390 A Operating temperature range -20°C to +50°C (50 to 60°C for shorter duration) Self-discharge < 4% per month at 27°C AMARON SOLAR Solar systems are the most demanding applications for the battery and the
