## **Our Products**

When equipped with the device, refrigerated beverage vending machines use less energy and are comparable in daily energy performance to new ENERGY STAR qualified machines. Innovative energy-saving technology is incorporated into a small plug-and-play device that installs either on the wall or on the vending machine. ©2020 Eco-Star Energy

## Our Programs

Next, we'll prepare a "Comprehensive Energy Reduction Proposal" where we'll break down each recommended energy saving solution by showing how much annual energy it saves as well as dollar savings, utility rebate, and estimated R.O.I. time period.
