

Solar Energy South Africa

Argentina janus europe

Overview

Could Janus have entered the European market under its own steam?

Janus could have entered the European market under its own steam. However, Lytle said that doing so via an acquisition will have allowed it to accelerate the process by a couple of years or so, compared with setting up an operation from scratch.

Does Argentina have a 'better-than-expected' result?

According to the International Monetary Fund, the country's biggest creditor, he has delivered "better-than-expected results." The IMF, which approved a bailout for Argentina in 2018, the fund's biggest ever, sees the economy shrinking by 3.5% overall this year, following a 1.6% contraction last year.

Will the IMF bailout reshape Argentina's economy?

The IMF, which approved a bailout for Argentina in 2018, the fund's biggest ever, sees the economy shrinking by 3.5% overall this year, following a 1.6% contraction last year. Projected growth of 5% next year will, in simple terms, just about reverse those declines.
