AYK Energy bids to become world's leading marine battery maker opening new 5000 sqm factory in China , Polaris Media. In depth technical article. Battery pioneer brings passion to power - Chris Kruger of AYK Energy developed the first marine battery and his technology is still breaking new ground , Polaris Media. Ground breaking new deals

AYK Energy installs 'world's largest' battery on Brittany Ferries

Last month, AYK launched its newest battery called Pisces. This battery has enough energy density to provide full power to larger vessels such as ferries, OSVs, drill rigs and windfarm

vessels. Kruger added that AYK's new 5,000 sqm Chinese factory in Zhuhai played a key role in installing the batteries in such a tight time frame.

'Milestone moment' for marine batteries as manufacturer AYK Energy

Marine battery manufacturer AYK Energy is today announcing a significant breakthrough in electric propulsion technology for ships - the first battery sold at \$300 per kWh. AYK founder Chris Kruger said the milestone will accelerate the adoption of battery powered vessels. He said the previous industry standard price was around \$450-\$550 per

Leading the Charge: An Exclusive Interview with Our

Marine battery manufacturer AYK Energy has installed the biggest marine battery in the world on board Brittany Ferries new hybrid LNG-electric ferry the Saint Malo. The 12 megawatt-hour (MWh) Orion+ battery was manufactured and installed within four months at China Merchants Jinling Shipyard Weihai. The ferry will operate the Portsmouth UK to

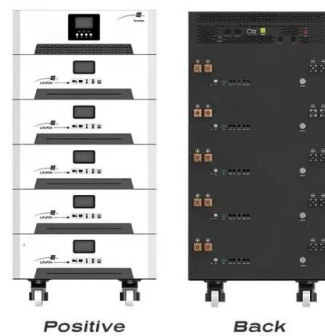

World's largest marine battery completes sea trials on LNG-electric

Brittany Ferries will fit a second vessel with AYK Energy's battery systems, following the completion of a first installation on its newbuild hybrid-LNG ferry Saint-Malo and successful sea trials in China. The 12 megawatt-hour (MWh) Orion+ battery was manufactured and installed within four months at China Merchants Jinling Shipyard Weihai, AYK Energy said ...

AYK Energy, one of the world's fastest growing marine battery manufacturers, is building a new 4,200 KWh battery for Spanish ship owner Mureloil after striking its latest deal. The agreement will see AYK's Aries + battery supplied on a new 7999 DWT diesel-electric product tanker being built for Mureloil at Astilleros Murueta shipyard near

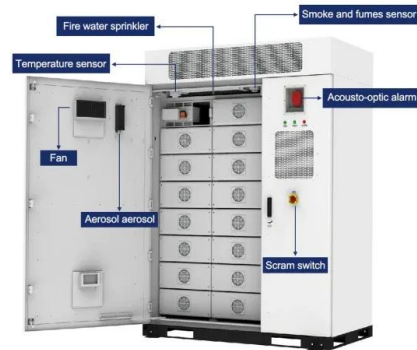

AYK Energy welcome visitors at Electric and Hybrid Marine Expo ...

Amsterdam, June 20, 2023 - AYK Energy, a leading provider of innovative marine energy storage solutions, is thrilled to announce its participation in the highly anticipated Electric and Hybrid Marine Expo, taking place in Amsterdam from June 20 to June 22 at booth number 6020. This year, AYK Energy showcases its latest advancements in marine battery technology, including ...

AYK Energy

Marine and stationary Energy storage solutions. Our vision is to bring high quality, safe and concurrently cost-effective battery systems to the marine industry. To this end, AYK, using

lessons learned from our years of experience, dating back to the first marine type approved battery, has developed several battery models to address the whole spectrum from high power ...
