Bangladesh

Globally, Bayer is a global Life Science company with a history of over 150 years and core competencies in the areas of agriculture and healthcare. Established in 2002, Bayer CropScience Limited Bangladesh is a joint venture between Bangladesh Chemical Industries

Corporation (BCIC) and Bayer AG.

Solar Rooftop

As of 2021, Bangladesh has a drastically low number of LEED-certified buildings (100+) compared to our neighboring country India (1000+). With the installation of Solar Panels, more industries will be able to earn LEED points, eventually making them LEED-certified buildings. The two Solar Rooftop Models we provide are CAPEX and OPEX
