Who is solarworks East Africa?

Solarworks East Africa is a solar company since 2009. It follows the right procedure in all its solar projects. First, the company offers solar home systems services across Kenya. Also, you can get power backup services, solar street lights, and solar water pumps. Besides, the solar company has done over 500 projects since its operation.

Which is the best solar company in Kenya?

Suntech Power Ltd It is one of the best solar companies in Kenya. Besides, the solar company is registered by the Energy Regulatory Commission. It supplies and distributes solar and other related equipment across the East African region. The company has served more than 250 happy clients in Kenya and beyond.

Who are Africa's leading solar energy companies?

As a pioneering renewable energy company, SolarAfrica has been named the continent's leading solar energy firm twice, scooping the prestigious African Solar Company of the Year award in 2021 and 2023 at the Africa Solar Industry Association (AFSIA) Awards held in London and Nairobi respectively.

Why do people use solar panels in Kenya?

Kenya is a leading user of solar energy across the world, especially in rural areas. Most people prefer to source solar panels systems instead of connecting to the Kenya Power grid. This is due to the high cost of electricity

installation and buying tokens from Kenya Power.
