Overview

What is BSc solar?

Bsc solar provides all kind of solar related maintenance, cleaning and rectification of Pv system to maintain desired performance and continued support to energy requirements.

Why should you choose BSc solar?

BSC solar has assembled one of the most experienced clean energy project design and installation teams in the world. SolarCity makes it easy for customers to switch to cleaner energy. We take a comprehensive look at our customers' energy usage and identify opportunities for improvements.

How long do BSc solar panels last?

BSC solar systems are meticulously designed and tested to stand up to some of the harshest conditions: temperature swings, battering winds, humidity, hail and more. That's why we expect our solar panels to have a useful life of more than 40 years.
