Travel log

It was our first time in Malta. We arrive at midnight and air was so hot like it was a middle of the sunny day. After waiting for rent a car, we arrived to our hotel Mavina in Buggiba (north-east of island Malta). Malta is an archipelago of three islands: Malta, Gozo and Comino. Malta has two official languages: Maltese and English.

brim with energy????????Reverso
Context???-?????: ??Activities blessed with bountiful funds, projects with a secure supply of capital (though certainly a rarity), appear to brim with energy.

HHO2004 by Malta Dynamics , Hard Hat , Full Brim Style , 4 Pt

The Malta Dynamics Full Brim Hard Hat is a standard hard hat with full brim featuring a poly brow pad and four points of attachment for a more secure fit. The full brim protects against splash, glare and sun exposure while featuring a permanent under-brim glare guard. The ratchet suspension can be adjusted between hat sizes

6-1/2 and 8.

Home , Malta

Malta's Thermo-Electric Energy Storage is cost-effective, grid-scale technology. It collects and stores energy for long durations to feed the growing power demands of our electricity-hungry world and enable reliable integration of renewable resources. Energy can be stored from any power generation source in any location.
