Look no further than teaching English in Cambodia! As the tourism industry continues to flourish in this Southern Asian gem, the need for English-speaking teachers has never been higher. With its World Heritage Temples, tropical islands, and a young and optimistic population, Cambodia is sure to enchant and inspire you both personally and professionally.

Cambodia Economics Bright Spots in 3Q, But Real Estate Slump ...

in rice exports. In the first 9 months, Cambodia exported more than 400k tons of milled rice, mainly to China. Rice exports will likely remain resilient given the slew of export deals signed with other ASEAN countries. Cambodia exported rice to Philippines for the first time in July and will export 250k tons per year to Indonesia from September.
