# Can liquor be stored in the kitchen cabinet

## Overview

---

### How to choose a liquor storage cabinet?

If you have a small selection of liquor you want to display, a unique liquor storage cabinet is the best way to go. Perhaps something with glass doors for display purposes, or an accent cabinet. If you have a large selection, it might be a better idea to go with a cheap liquor storage cabinet to save some money.

### How do you store alcohol in a kitchen?

Store liquor on open kitchen shelves Open shelves in a kitchen or dining room are usually reserved for glassware and china, but why not add your fancy alcohol to the mix. It's no-brainer storage, plus it adds a fun stylistic element to what could easily be a very plain shelf set-up.

### Should you store alcohol at home?

Stocking a stellar home bar is only half the equation. Storing spirits the right way is important to provide the best taste and experience. Typically, the label should tell you if refrigeration is necessary after opening, but there are other factors to consider when storing alcohol at home.

### Should you store liquor in a safe place?

Here's the basic rule: Don't store liquor in a place where it could come crashing down on someone's head in the event of an earthquake or crazy accident. And if you have children or pets, be extra careful: opt for high shelves with rails or utility carts with protective sides. Read more: [12 best IKEA hacks and ideas for every room in your home](#).

### Should you buy a cheap liquor cabinet?

The whole world of cabinetry is open to you, as long as it can hold liquor bottles safely and fit in with your bar. If you're buying on a budget, there's nothing wrong with a cheap liquor cabinet that will suit your needs. With

options from Ikea furniture to thrift store finds, you'll be able to find something that suits you.

How do you store a wine aperitif?

Most liquor has a high-enough alcohol content to be kept at room temperature, either in a cabinet or on a bar cart. Warm temperatures can speed up oxidation, negatively affecting the quality and flavor. Reiner recommends storing wine-based aperitifs—sherry, vermouth, port, Lillet—in the fridge to extend their life.
