is it possible to roll chameleon solar armor? : r/fo76

I remember back in the day it was impossible to roll certain prefixes on thorn armor, and then they allegedly fixed it. but I never heard anything about solar. thing is, I've been rolling solar pieces for about a month now and haven't gotten a single chameleon piece. I was aiming for slayer's, but it got me curious either way.

[2406.01691] Solar chameleons: novel channels (I)

Demanding that the total flux of chameleons does not exceed 3% of the solar luminosity leads to the stringent upper limit on the chameleon-photon conformal coupling $\beta_{\gamma} \lesssim 10^{10}$, assuming that the height of the chameleon potential is set to the dark energy scale $\Lambda = 2.4$ meV, and independently of other couplings to matter.
