Any experience with Clearway Solar? : r/hudsonvalley

I'm at the point of just canceling our Clearway Solar acct entirely, even if it means paying more for our energy bill, bc no other company that we have accts with is this aggressive and annoying, and I am already overwhelmed having to care for a parent with Alzheimer's. I'm grateful to hear about your experiences, either positive or

[The Massachusetts SMART](#)

Program

The three main utility providers in Massachusetts - Eversource, National Grid, and Unitil - partnered with the DOER to encourage the development of solar photovoltaic (PV) technology. The SMART program will support 1,600 MW of new solar generating capacity. This is a "declining block" program, which means incentives are gradually reduced over time as more projects are ...
