Overview

Who is cobblestone energy?

At Cobblestone Energy we are experts in trading power to support the efficient balancing of the European power grids. Founded in 2017 in the UK, we are now headquartered in Dubai, UAE, and operate in the European short-term power markets. We match the interests of power supply and demand in terms of timing and place of delivery.

Where does cobblestone trade gas?

We trade wholesale gas on all major European hubs, optimizing physical gas flows via our storage and transportation portfolio. Cobblestone has leveraged its extensive quantitative and analytical approaches gathered from long dating power experience to build and run a physical gas portfolio consisting of storage and pipelines.

Is Cobblestone a responsible company?

At Cobblestone, we are committed to being a responsible company while conducting all our business activities. We maintain a compliance culture of upholding ethical standards and regulatory obligations with the highest level of integrity.

How did cobblestone expand its target markets?

With our specialized trading teams, we expanded our target markets to other European countries. We also formally established our Cobblestone Foundation in Uganda, in an effort to nurture the global communities from which Cobblestone's people come.

Why should you join cobblestone?

At Cobblestone, we are committed to providing a working environment that fosters mental, social, and physical well-being. When you join us, you will embark on a rewarding journey with challenging work and exciting perks that

will keep you hooked!
