Cocos Keeling Islands jetion solar europe ltd

Overview

Who is Jetion Solar?

Jetion Solar (Europe) Ltd is its european branch, in charge of sales and distribution in Europe, which also operates a 15MW-capacity warehouse located in Germany and Holland, that proves to be a valuable plus in terms of just-in-time deliveries, smaller orders' consignments and flexible after-sale service.

Where are Jetion Solar cells manufactured?

In response to the world-wide growth in solar power Jetion has imported industry leading manufacturing equipment from Germany, Italy and the United States and currently boasts four state-of-the-art solar cell production lines.

Is Jetion ready for expansion?

Jetion is well placed for future expansion with over 1million square feet of land (including manufacturing, office and warehouse space).
