### Home One

Home One Residential Intelligent Energy Solution  
 HOME ONE Solinteg HomeONE is the intelligent energy solution for residential application. HomeONE integrate technologies of Photovoltaic, inverter, energy storage, and energy management system to bring the efficient, safe and reliable clean energy to the green house, and optimize the energy cost for homeowners. ...

### SOLINTEG DIESEL GENERATOR CONNECTION SOLUTION

Solinteg DG solution has been divided into three stages\*, and each stage will be developed independently. | Stage 1: Use the DG to power home loads automatically when the power grid fails and PV and battery power is insufficient. | Stage 2: Use the DG to power loads and charge the battery. | Step 3: In addition to the functions of stage 1& 2, you

### [Solinteg Intelligent Load Management](#)

Solinteg Meter Solinteg Battery On- grid Loads PV Strings Backup Loads AC DC RS485 Diesel Generator Heat Pump DO/AO And other smart loads MHT Hybrid A. Power from PV will first supply back-up and on-grid loads B. Charge the battery if there's surplus power after the loads are satisfied

## SOLINTEG SMART EMS

academy@solinteg-power Smart Work Modes  
Solinteg's hybrid inverter features five intelligent operational modes tailored to meet diverse requirements. By strategically employing these modes in various scenarios, users can optimize power allocation and prioritize energy usage effectively. General Mode Peak Load Shifting Mode

## Solinteg Unveils HSH: The Latest Residential Solar Storage ...

Solinteg, a provider of innovative photovoltaic energy storage solutions, is excited to announce the launch of the HSH 3-6kW/5-10kWh residential solar storage system. As part of the IntegOne for Home solutions, the HSH system is designed to offer homeowners an efficient, quiet, and scalable energy storage solution, making home energy management ...

## BSLBATT HV-batterye word deur Solinteg-omskakelaars gelys

BSLBATT kondig aan dat syhoë spanning batterye vir residensiële sonkragstelsels is nou versoenbaar met Solinteg driefase hibriede omsetters.. Na herhaalde toetsing en validering in BSLBATT se laboratoriums, kommunikeer ons hoëspanningbatterystelsel perfek met Solinteg-omsetters, 'n beduidende prestasie wat die grondslag lê vir verbeterde samewerking tussen ...

## Batteries

Our extensive portfolio of automotive battery products is a testament to our commitment to quality, innovation, and reliability. Each of our battery products is backed by rigorous testing and quality control measures to ensure they meet the highest standards of performance and safety. At AMAP Group, we understand the critical role that reliable

## Solinteg Integ M 25-50kW Hybrid Inverter Receives Prestigious ...

Following our successful participation in the Intersolar Exhibition, Solinteg is proud to announce that we have been awarded the esteemed CEI 0-21 & 0-16 certificate for our MHT-25~50K three-phase hybrid inverter and Pylontech PowerCube-M1-C battery storage system. This significant achievement underscores our dedication to delivering high-quality, ...

## Solinteg Limited Factory Warranty and Service Conditions

Solinteg Warranty-AU& NZ-Inverter V1.02 1 / 5  
Use of battery types not certified for operation with Solinteg battery inverters. 11) Normal wear or aging, surface defects, dents or scratches. 12) Defects of Product arise due to renewal of the national or regional laws or regulations.

## BSLBATT HV Batteries Are Listed by Solinteg Inverters

BSLBATT announces that its high voltage batteries for residential solar systems are now compatible with Solinteg three-phase hybrid inverters.. After repeated testing and validation in BSLBATT's laboratories, our high-voltage battery system communicates perfectly with Solinteg inverters, a significant achievement that lays the groundwork for enhanced cooperation ...

## **Solinteg launches new residential solar storage systems**

Chinese energy storage solution company Solinteg has released a new series of residential solar storage systems. The IntegOne HSH line integrates a single-phase hybrid inverter with a modular battery design. Depending on the model, the system has either 3 kW, 3.6 kW, 4.2 kW, 4.6 kW, 5 kW, or 6 kW of AC output.

## **Introduction**

Solinteg Monitoring Solutions IntegHub IntegHub has the portable version of the platform, allowing people to install it on their phones for monitoring and management of their devices and plants anytime, anywhere. Solinteg Cloud is Solinteg's

self-developed official monitoring platform for end-users and distributors to monitor and manage their

## Case Study

Battery: Solinteg EBS-5150. Located in the banks of the Rhine, Cologne, introduced a sophisticated 10.4kW solar storage system in this November, integrating Solinteg Integ M series 8kW hybrid inverter and a 10.24kWh battery. With innovation technologies, this system guarantees optimal solar utilization during the day and a steadfast power

## SOLINTEG & SOLARMANAGER INTEGRATION SOLUTION

integration of Solinteg and SolarManager, we could manage our energy more intelligently and efficiently. academy@solinteg | A Solinteg MHT inverter | Battery | Solar panels | Router | SolarManager | A phone or iPad for APP | Smart meter | SG ready heat pump and other loads | EV charger | etc.

## SOLINTEG OFF-GRID APPLICATION

academy@solinteg Off-Grid Applications 3 xN Multiple Inverters Solinteg MHT 25-50K supports off-grid parallel connections, facilitating easy expansion of plant capacity. It would be a suitable choice for commercial and small industrial applications. Highlights Bigger Capacity Share the PV power and battery power

More Flexible

## SOLITE BATTERY , PT. Star Sparta Indonesia

BATTERY. SOLITE BATTERY. Products. PT. Star Sparta Indonesia memiliki 2 segmen produk otomotif, yaitu 2W (Motorcycle) & 4W (Passanger Car, Truck, Bus). Dalam setiap segmen PT. SSI memiliki beberapa Brand, untuk 2W ada merek ICHIDAI dan RKN. Sedangkan untuk segmen 4W yang fokus ke produk ban dan aki terdapat merek Solite, Faster, SRC, DRC.

### About Solinteg

Solinteg, is a leading technology and innovative-thinking enterprise, which provide advanced and optimized energy storage solution to integrate solar energy to distributed grid intelligently. Driven by cutting-edge technology and Solinteg MORE platform, Solinteg offer products of PV inverters, battery, smart terminal, monitoring device and EMS

### Solinteg Parallel Connection Soltuion

Solinteg Master-Slave parallel connection can be used for all hybrid inverter, which supports both on-grid side and off-grid side\* paralleling (off-grid parallel connection is only available for MHT 25-50K). Besides, it has the following highlights:  
academy@solinteg Solinteg Master-Slave Prallel Connection Master-Slave Parallel
