Confidential microfilm State Grid

Overview

Where did the documents in this microfilm collection come from?

The documents in this microfilm collection have been obtained by University Publications of America (UPA) from the Central Files of the General Records of the Department of State, Record Group 59.

What records are in the central files of the Department of State?

The Central Files of the General Records of the Department of State contain the bulk of the records accessed in Record Group 59—some 82 percent of this Record Group according to a National Archives estimate. The Central Files contain all instructions sent to and all correspondence received from diplomatic posts abroad by the Department of State.

What decimal numbers are microfilmed?

The decimal numbers micro-filmed include: 693.00-693.97, 693B.00, 611.93-611.9394, 611.93B, and 611.93C. These documents can be found at the National Archives, Washington, D.C. University Publications of America (UPA) has microfilmed these files in their entirety. Only duplicate copies of documents have been excluded from this micropublication.
