Deltapowersolutions Guyana

Deltapowersolutions Guyana

Solutions

The Delta Group has been the industry leader in switching power supplies since 2002. As a world-leading company in power management solutions, Delta is committed to developing advanced technology to increase the energy efficiency of our products ...

Int'l firms submit proposals to operate and maintain ...

In the RFP published by the Office of the Prime Minister, it was noted that the operations and maintenance (O& M) contract will encompass a combined-cycle power plant featuring four Siemens Energy gas turbines and ...

Modulon (Modular UPS)

Delta UPS - Modulon Family 20kVA or higher, Modular UPS In the Delta UPS product line, the Modulon family features a three-phase modularization architecture for power rating requirements above 20kVA and supports datacenters, mid-large network equipments, data storage centers and financial balance centers.

Ultron (> 20 kVA)

Delta UPS - Ultron Family 20 kVA or higher, Three-Phase On-Line UPS In the Delta UPS product line, the Ultron family are three-phase UPS systems

for power rating requirements above 20 kVA that support mission critical applications including industrial equipment, datacenters, traffic control facilities, broadcast stations and backbone networks.

EnviroStation

Your first line of defense for data center security Delta's Environment Management System (EMS) monitors the environment and conditions in the data center, including temperature, humidity, water leakage, and alarms for fire, smoke, and unauthorized entry.

SAI

SAI de Delta Industry-leading energy efficiency A nuestros clientes les preocupa los problemas en el suministro eléctrico, como por ejemplo las averías eléctricas, las caídas de tensión, las subidas de tensión, la insuficiencia o el exceso de voltaje, las variaciones de frecuencia, la distorsión armónica y el ruido en la línea.

DPS 300-1200 kVA

The Next Generation UPS Answering the Demand of Large Data Centers and Colocations Delta's superior Ultron DPS series 300-1200 kVA UPS supports unity output power factor to deliver up to 10 MW power capacity to meet the demands for large data centers and colocations that require higher power capacity.

Modulon 20kVA and Higher

Delta UPS - Modulon Family 15 kVA or higher, Modular UPS When investing in a higher-load uninterruptible power source (UPS) for a network or data center, the benefits of opting for a modular power supply make it the optimal choice for many companies.

Amplon UPS 1kVA, 2kVA and Higher Family

Delta UPS - Amplon Family 1 kVA or higher, Single-Phase UPS Delta's Amplon family UPS Series offers single-phase double-conversion UPS systems for power rating requirements above 1 kVA that support medium to small network devices, ...

Delta Cast Resin Busway System

Delta Cast Resin Busway System With the brand vision "Smarter, Greener, Together," Delta has utilized its industry-leading power electronics technology to develop a flexible, safe, and reliable Busway systems, BR series and BL series.
