The SelfChill team together with Don Bosco Solar invites to the BeCool Course on 11th-13th June 2024 at Don Bosco Technical Institute, Tema, Ghana. Solar cooling solutions can be used in many areas: Solar-powered cold rooms for cooling fruits and vegetables at farms, freezing rooms to store fish or meat, solar air-conditioning for buildings and

Don Bosco in the Solomon Islands , Salesian Bulletin Online

The educational work and personal testimony of life can be a source of inspiration for other young people who want to join the Salesian congregation and continue Don Bosco's dream of helping young people in this region, as happened in Thomas' story. His journey to become a Salesian began as a student at Don Bosco Tetere in 2011.

[BOSCO-solar , Timberlab](#)

Le BOSCO-solaire est une évolution du BOSCO normal. Le luminaire est équipé d'un panneau photovoltaïque associé à une électronique de contrôle intégrée de pointe et à un système de stockage de l'énergie. L'énergie solaire est stockée le plus efficacement possible et restituée de manière intelligente au module LED. Avec son design contemporain et élancé et le ...
