Why Englishman Richard Ellis deserves a monument in Malta

Englishman Richard Ellis arrived in Malta on Tuesday, 9th April, 1861. Born on 27th January 1842, he had been touring around Europe with his adoptive parents, James and Sara Conroy, who were part of a circus troupe. He arrived in Malta quite by accident, while escaping revolts from Garibaldi's campaign that were happening in nearby southern

Malta and the history of Photography: the Richard Ellis Archives

Malta houses a massive archive of early photography - the Richard Ellis archives - that gives us an astonishing insight into life on the Islands from 1862 to the early C20th. It's largely the life's work of one man, Richard Ellis, an Englishman who arrived by chance in Malta with his adoptive parents to escape the Garibaldian uprising

Malta: The Richard Ellis Archive 1862-1924

Many collectors would love to lay their hands on what is probably Malta's most precious photography collection. One of the biggest

archives on the island, the Richard Ellis glass plate negatives number about 40,000, dating from between 1862, when the Englishman landed in Malta, to his death in 1924. After almost 150 years, the name of Richard Ellis is still ...
