Questions about Dell EMC Storage Arrays I'm receiving for free

I'm receiving 2 storage arrays EMC2 model CAE and MPE. I'm trying to find manuals on the things but I am having tough luck doing so. I'm not even sure if the model numbers are descriptive to find what I need to find. They are both 12 bay storage arrays with at least 2 SAS connectors. The MPE has more connections on the back along with the SAS
