

Solar Energy South Africa

Empresas energia solar Papua New Guinea

Overview

Who is solar energy Papua New Guinea?

We are Papua New Guinea's leading solar energy company, providing high quality solar services for your home or business through renewable energy.
WHY USE SOLAR?

Despite huge popularity in the rest of the world solar power has yet to take off in PNG.

Why choose Solar Energy Solutions PNG?

Solar Energy Solutions PNG is a provider of off-grid AC solar power system solutions and highest quality solar street lighting. They offer DC solar home systems ranging from 3 Watt to 20Watt, which are ideal systems powered by solar energy. Solar Energy Solutions PNG is the right choice for your solar energy needs.

Is it safe to use solar in PNG?

This is for a variety of reasons but with recent developments in the PNG energy market its now safe and legally compliant to use solar for certain applications. Our policy experts have worked closely with our engineers to develop a range of safe, economic and regulatory compliant solutions for using solar on your business or home.
