Eritrea dale power solutions ltd

Overview

Who are Erskine & Dale Power Solutions?

Our Erskine brand AC and DC secure power systems serve the most demanding markets. We offer a range of services, including support for all your diesel generators, gas turbines and DC UPS systems. Dale Power Solutions supplies secure power solutions to all major UK and international market sectors.

Does Dale Power Solutions provide secure power solutions?

Dale Power Solutions supplies secure power solutions to all major UK and international market sectors. Secure power solutions can be provided with battery back-up times from minutes to hours, allowing for controlled plant shutdown or continued operation.

Who is Dale Power?

As part of the Secure Power Division of TT electronics plc, the £550m turnover UK quoted global electronics group, each year Dale supplies more than 4,000 generator and UPS systems worldwide, and services more than 5,000 generating sets and UPS systems.

What equipment does Dale supply & maintain?

At Dale, we supply and maintain an extensive range of uninterruptible power supplies (UPS), commercial and industrial generators, and energy storage systems. We're busy gearing up for one of our most anticipated events in the exhibition calendar.

Why should you choose Dale power supply?

Widely regarded as an established global brand leader within the power industry, Dale's design and technical expertise, coupled with a network of service and installation engineers and spare parts supply means we are uniquely qualified to deliver and maintain power supplies under any

conditions, in any environment.

...

[UPS Solutions , Dale Power Solutions](#)

Industrial UPS. Industrial UPS are specifically designed for critical processes such as an oil rig or power plant but are also suitable for manufacturing when a break in production can be costly. They won't drop the critical load and can tolerate higher temperatures and dirtier environments. Industrial UPS have a design life of 20+ years with a corresponding battery life.

Dale Power Solutions is one of the UK's largest suppliers of uninterruptible power supplies providing complete asset life-cycle management. Search for: 17901. Main (01920 871077) Cetronic Power Solutions Ltd was originally founded in

1966 providing Components, Equipment and Tools to the electronics industry, hence the name CETronic.

Dale Power Solutions , Our Fuel Management Options

Fuel contaminants can ultimately cause your generator engine to fail, reducing power supply to key power supply equipment. With Dale's specialist fuel conditioning programme, you can be certain that your fuel is being taken care of safely, and will aid generator functionality.
