How does Littech Battery work for Peak Shaving?

Peak Shaving Explained. Peak shaving involves quickly reducing electricity consumption during periods of high demand, helping to avoid expensive spikes in consumption. This can be achieved by: Temporarily scaling down production.; Activating on-site power generation systems (e.g., generators).; Utilizing battery storage, such as the Littech Battery, to supply energy during ...

[Shenzhen Littech Energy Co.,Ltd](#)

Littech help you play longer with twice the run time for your golf cart or electric vehicle. Safer and non-explosive, lighter (& smaller) which contributes to more mileage on a single charge, stronger acceleration without the bog-downs on hills, less charging time, maintenance-free, and maybe most important, a longer life span saving you money and time due to no need to make multiple ...
