O campo de Golfinho, localizado na Bacia do Espírito Santo, fica a aproximadamente 40 quilômetros da costa de Linhares (ES), em profundidade média de 1.386 metros.

Gautam Adani faces US fraud charges over renewables "bribery"

Indian billionaire Gautam Adani has been charged with fraud in the US. He is accused of orchestrating a \$250m bribery scheme to secure contracts for his renewable energy company, according to a report by the BBC.. The charges, filed in New York, allege that Adani and senior executives concealed the scheme to raise funds in the US.

Brazil: Energy Country Profile

Brazil: Many of us want an overview of how much energy our country consumes, where it comes from, and if we're making progress on decarbonizing our energy mix. This page provides the data for your chosen country across all of the key metrics on this topic.
