## [South Keeling Atoll](#)

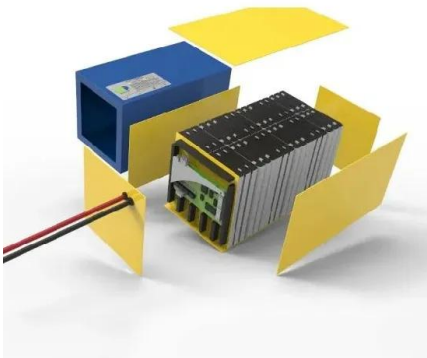

The name "Keeling" derives from William Keeling, who was the first European to discover the islands, in 1609. The double name Cocos-Keeling became official when the islands were incorporated into Australia in 1955. As global trade networks and colonization gathered steam,

the islands became central to global communications. In 1910, prior

## Stopping Cocos (Keeling) Islands sharks from eating locals' fish

In May, Dylan spent three weeks on the beautiful, tiny Cocos (Keeling) Islands off the Western Australian coast. There he helped test shark-deterrent technology to combat shark depredation--this is when sharks eat fish off of fishing lines before the fish are reeled in. The Cocos Islands community is highly reliant on artisanal fishing.
