[About Us - Sahel Solar, Inc.](#)

LA Solar Group encourages each team member to provide feedback that will innovate and improve processes. Saleh Solar started with the goal to provide clean, affordable and environment friendly solutions for the communities living in Sahel who suffer the most with electricity access.

ESS

Greece

meco Services Hellas implements ground-mounted and rooftop solar projects in Greece and beyond. More than 3 MWp solar systems have been installed in Greece, contributing to improve the country's renewable energy footprint through 2,671 tons of CO₂ savings.. One of the largest Greek installations is the 400 kWp solar project in Oropos, near the capital city Athens.
