[Green World Campaign](#)

At Green World Campaign Kenya, we believe in building strong, resilient communities through collaboration and empowerment. Recently, we hosted an inspiring Community Leads Training facilitated by Christine Karisa at our office, bringing together representatives from Kilifi, Mombasa, and Kwale counties. These leaders are at the forefront of transforming their communities, and ...

GREEN WORLD CAMPAIGN KENYA (@green_world_campaign_kenya...

Yesterday was an unforgettable day at Miyani Secondary School in Kwale County. We had the honor of celebrating the incredible achievements of the volleyball team that made it to the finals of their volleyball tournament. To show our support, we as Green World Campaign Kenya presented them with new jerseys, a symbol of teamwork and dedication.

leveraging on place sourced solutions with schools, youth groups, women groups, faith-based organizations and small holder farmer groups. the World Food Program notes that in 2010 ...

Green World

When you contribute to Green World Campaign, you do more than plant trees. Much more. You support regenerative agriculture that absorbs carbon into healthy soil and biodiverse vegetation, helping to reverse climate change. You provide eco-education to kids, and training to farmers. You help start local enterprises with nature-based solutions.
