

## Solar Energy South Africa

# Greentech corp French Southern Territories

## Overview

---

What is the GreenTech group?

Today, the Greentech Group operates worldwide to build sustainable supply chains founded on the principles of protecting biodiversity and human relationships. We are a group with cross-skills that feed off each other.

Where does GreenTech provide equipment (systems)?

Greentech provides equipment (Systems) to mainly in USA, Canada, Central America & South America with engineering quality and support.

Can GreenTech machines deliver ozone?

Greentech machine are capable of delivering variable amounts of ozone as needed to match the laundry load size and soil conditions. Ozone can be dissolved in the water for your existing laundry machines without disrupting the workflow of the laundry.

What is GreenTech doing at Dubai World Expo 2022?

"Greentech is proud to be a partner of the France Pavilion at the Dubai World Expo and in particular of the fortnight dedicated to the Oceans from March 18 to 31, 2022. The main theme of the exhibition is "Making a new world", a new world which will have to connect peoples, cultures and sciences.

**pureWash Pro X2 - Greentech Environmental**

pureWash Pro X2 transforms the water going into your washing machine by infusing 100% safe, natural oxidation which dissolves and removes residue and cleans, sanitizes, and deodorizes your entire laundry. pureWash Pro X2 brings large scale hospital technology into your home in a compact and easily installed system.

**QT 40**

Triple action on the extracellular matrix: QT 40 ® improves its establishment by stimulating collagens and hyaluronic acid synthesis; maintains its architecture by promoting hyaluronic acid binding; and prevents its degradation by inhibiting the collagens-degrading enzymes.
