Overview

Who is Guernsey energy?

From tailored payment plans and energy efficiency advice to priority callouts and safety checks, we're here to make things easier for you if we can. © 2024 Guernsey Energy, a trading name of Guernsey Gas Ltd, a member of the Islands Energy Group. We've been providing energy solutions to the Channel Islands for almost 200 years.

Will Guernsey gas prices rise 10% from 1 January?

Guernsey Energy says the price of wholesale gas has been hit by world events. Island gas prices will rise by 10% from 1 January, Guernsey Energy has announced. The island's sole gas supplier said that for an average household, it would mean an increase of approximately £9.37 per month.

What is the energy strategy for Guernsey?

The Committee for the Environment & Infrastructure is developing an Electricity Strategy for Guernsey. The strategy will consider expected future energy demand levels and set out how this demand could be met, whilst also reviewing how the market structure will need to change to support this.

Does Guernsey energy offer support?

Guernsey Energy Managing Director, Darryl Goddard, said support is available for customers "Energy markets are subject to a variety of complex influences which impact our supply chain and keep the cost of services that are crucial to the supply of gas high," said Mr Goddard.

What is the energy transition in Guernsey?

In Guernsey, we currently rely on fossil-fuel based systems of energy production and consumption and operate a thermal power station. However, it is recognised that as part of the response to climate change, there is a need to transition to an energy mix with limited, if not zero carbon emissions. This

is often referred to as the energy transition.

How can Guernsey support a vibrant economy?

Supporting a vibrant economy - A clean, reliable, and affordable energy supply is a fundamental economic enabler. Establishing an environment for the development of on-island (including offshore) renewables will support the diversification and vibrancy of Guernsey's economy.
