## Overview

---

Where to look for property for sale in Guinea-Bissau?

The best places where to look for property for sale in Guinea-Bissau for those interested in investing or moving to this land are certainly the capital Bissau and the city of Bafatà. Bissau is the political and financial center of the nation but it is also a place rich in heritage and culture.

How much is a mortgage in Guinea-Bissau worth?

Guinea-Bissau's outstanding mortgages were valued at CFA 69.306 million (US\$0.1 million) in 2021, according to the latest annual report by the Bank of Guinea-Bissau. Banks' interest rates on residential mortgages range from 7.5% to 12%. Residential mortgages offered by banks in the country have a maximum term of 15 years.

How much does it cost to live in Guinea-Bissau?

For example, a one-bedroom apartment in Bissau's city centre costs CFA214 900.96 (US\$341.08) per month, while one outside the city centre costs CFA119 913.84 (US\$190.32). On the housing supply side in Guinea-Bissau, most houses are made of adobe, mud, and a mixture of woven branches and straw.

Why are housing prices so high in Guinea-Bissau?

Another major constraint on housing supply is construction costs. As a country that relies heavily on imports, most of Guinea-Bissau's building materials are imported, resulting in high building material costs and, as a result, higher housing prices.

Why is there a housing shortage in Guinea-Bissau?

High rates of poverty and the cost of living are partly responsible for housing shortages in Guinea-Bissau. The country has a small population of 2 026 778,

of which 45% is urbanised. With an average annual urban growth of 3.4%, demand for housing has increased over the years.

Why is Guinea-Bissau a poor country?

Guinea-Bissau is one of the poorest countries in Africa and has been plagued by political instability since its independence from Portugal in 1974. High rates of poverty and the cost of living are partly responsible for housing shortages in Guinea-Bissau. The country has a small population of 2 026 778, of which 45% is urbanised.
