Towards the intelligent wells

These web pages has been created with the intention to write the history of permanent downhole reservoir- and production monitoring systems, how it evolved into performing actions downhole and how this has been integrated into the active well completion systems.

Hansen Signs Agreement to Acquire PPL Solutions

Axpo Solutions Upgrades to the Latest Hansen Energy Data Management Solution; Hansen Expands Partnership with Swedish Energy Company, Mälarenergi to acquire PPL Solutions, LLC ("Solutions"). This follows the announcement on 10 May 2016 that the parties had signed a non-binding Letter of Intent. The transaction is effective from July 1

HANSEN

HANSEN Energy Solutions LLC has developed a new innovative concept of installing gas lift, reservoir monitoring, chemical injection or downhole pumps in wells requiring a downhole safety valve system. The method allows gas lift from the wellhead to one or several deep placed gas lift valves, while also introducing the abilities for combining
