Overview

HKN, Inc. is a company engaged in hydrocarbon exploration headquartered in Southlake, Texas. It is notable for the Harken Energy scandal, which involved allegations of insider trading by George W. Bush in 1990. The company was known as Harken Energy Corporation until 2007.

In 1973, the company was founded as an unprofitable collection of Texas for investors seeking tax . In 1986, the company acquired for 200,000 shares from George W. Bush. After the sale of his company, Bush served on the of the comp. In 1973, the company was founded as an unprofitable collection of Texas for investors seeking tax . In 1986, the company acquired for 200,000 shares from George W. Bush. After the sale of his company, Bush served on the of the company and received \$80,000-\$100,000 per year in consulting fees. Bush remained on the board through 1993. In 1987, joined the board of the company and served as the chair of the Audit Committee. In 1987, Bush obtained a critical \$25 million loan from a joint venture. In 1989, the company's subsidiary was sold to company insiders for \$12 million, most of which was borrowed from Harken. The sale of the subsidiary for an exorbitant price helped the company show a profit that year and disguise losses, a similar technique used by that led to the . In September 1989, the company made an offer to acquire . The offer was withdrawn in February 1990. In 2007, the company changed its name to HKN, Inc.
