# How much does 45 photovoltaic panels cost

## Overview

---

Answer: The average cost of installing solar panels in the UK ranges from £4,000 to £6,000 for a standard 3-4kWp system. How much does a solar panel cost in the UK?

The average cost of a solar panel in the UK based on a 350-watt panel is currently between £500 and £800. However, please bear in mind that this is the price for a single solar panel and does not include the professional installation or any other extras e.g. pigeon proofing. With that said, let's explore some common solar installation scenarios.

How much does it cost to clean solar panels?

However, if you notice your solar panels becoming dirty – for example, bird droppings, or dust building up on them during a dry, hot summer – you should consider getting them cleaned. Solar panel cleaning by a professional will cost around £100, but you can do it yourself with a hose. How much do solar batteries cost?

.

How much does a solar PV installation cost per kilowatt?

The mean average cost per kilowatt of a small solar PV installation (0-4kW) is above £2,000 for the first time since these records began in 2013/14. Prices for larger solar installations (4-10kW) increased even more dramatically - by 31% since 2021/22.

How much does a solar panel system cost?

The average package 3kW or 4kW solar panel system with battery, usually comes with a 4kW to 14kW battery. The average price of a solar panel system and battery ranges from £8,500 - £14,000 but can be considerably higher depending on the battery. If you want to include a storage solution you are going to have to pay more upfront.

How much does a 3.5kW Solar System cost?

The cost of a 3.5kW solar panel system can range from £7,000 to £10,000 and is suitable for meeting the energy demands of a three-bedroom house. The Energy Saving Trust averages the cost of a domestic 3.5kW solar panel system at around £7,000. The system would require around ten solar panels and a single panel costs around £150 to £300.

How much does solar panel maintenance cost?

The maintenance of solar panels would cost around £21.24 to £24.99 per month, depending on the service, repair, and health checks your solar panel system needs. Solar panel systems are low-maintenance; you just need to do routine checks and regular light cleaning.
