How to sign the authenticity of GCL photovoltaic panels

Overview

How many GCL solar panels are there in Australia?

Currently, 39 GCL solar panels are approved by the Clean Energy Council (listed under the name of GCL System Integration Technology Co Ltd) for the Small-scale Renewable Energy Scheme - Australia's home solar rebate program. The GCL-M8/60H has 120 half cut monocrystalline solar cells and is one of GCL's best performing solar panels.

What is a GCL solar warranty?

The product warranty is designed to cover manufacturing faults in the panel that leads to damage or malfunction and is typically 10 years for most solar panel manufacturers. All GCL Solar panels offer a 10 year standard product warranty which is effectively the minimum expectation of the solar panel market.

Does GCL solar have an office in Australia?

GCL Solar currently has no office located in Australia. Compare quotes from up to 7 installers in your area now. Currently, 39 GCL solar panels are approved by the Clean Energy Council (listed under the name of GCL System Integration Technology Co Ltd) for the Small-scale Renewable Energy Scheme - Australia's home solar rebate program.

How to verify the authenticity of solar panels?

Proper documentation is critical in verifying the authenticity of solar panels:
Purchase Invoice: Ensure the invoice matches the product details and includes the manufacturer's information. Warranty Documents: Genuine panels come with warranty documentation specifying the terms and conditions.

Are GCL solar panels good quality?

GCL solar panels show some promise of being good quality (particularly the Saturn and Gemini series) through their ranking as a top performer by PV

Evolution Labs independent testing. Unfortunately at this stage their offering in Australia (if it is currently available) lacks good customer support.

Which gcl-m8/60h solar panel is best?

The GCL-M8/60H has 120 half cut monocrystalline solar cells and is one of GCL's best performing solar panels. Monocrystalline solar cell technology has a higher efficiency in comparison to polycrystalline.

How to sign the authenticity of GCL photovoltaic panels

[GCL Solar Panels: Independent Review](#)

GCL operates five solar panel production facilities in China and one in Vietnam with a stated total production capacity of 12GW per year. This makes GCL a medium sized solar panel manufacturer. On 19 December 2018, all GCL solar ...
