Mojet®

The reversible Mojet ® tunnel ventilation system can increase the in-tunnel aerodynamic thrust by up to 50%, with reduced power consumption. To achieve such a significant improvement in performance, the Mojet ® uses shaped nozzles which turn the jet flow away from the tunnel soffit and walls. This reduces surface friction, minimizing the Coanda Effect, where a reduction in ...

[Western Sahara](#)

Western Sahara is a premium DLC made for ArmA 3's Creator DLC programme. It was released on November 18th, 2021.[1] Set within the Armaverse, the Western Sahara Creator DLC has players step into the shoes of a private military contractor deployed to the mineral-rich
