Is Iranian container ship a rusty reality check on economic sanctions?

Get in Touch Stuck in a Turkish port for three years, an Iranian container ship is a rusty reality check on the reach of economic sanctions.

What happens if a container is found in Iran?

This is to safeguard the integrity of our services. Kindly note that upon discovery of any such container, we will take immediate action. Potential fines and penalties apply to all parties who facilitate the transit of Iranian-owned containers. Iranian containers are identified by the following prefixes (but not limited to).

What if I have to offload a container if it is Iranian?

If we have to offload a container because it is Iranian, it will be your responsibility to ensure that the cargo continues its journey in a legal manner. Likewise, if your actions have caused any related third party damage or loss, it will be your responsibility to compensate such loss.

Does Maersk accept Iranian-owned containers?

We write to inform you that Maersk does not accept any Iranian-owned containers on its vessels. Thus, please ensure that you do not book any shipment with Maersk using a shipper's own container where such container is Iranian. Potential fines and penalties apply to all parties, including you, who facilitate the transit of Iranian-owned containers.

Can I book a shipment if the shipper's container is Iranian?

We regret any impact this might have on your supply chain, but we ask that you please ensure that you do not book any shipment with us where the shipper's container is Iranian. This is to safeguard the integrity of our services. Kindly note that upon discovery of any such container, we will take immediate action.

Who seized a container ship near the Strait of Hormuz?

DUBAI, United Arab Emirates — Commandos from Iran's paramilitary Revolutionary Guard rappelled down from a helicopter onto an Israeli-affiliated container ship near the Strait of Hormuz and seized the vessel Saturday, the latest in a series of attacks between the two countries.
