Islands Energy Group's 'Powering Island Lives' Report

The energy sector is changing. We're having to re-evaluate our fundamental offering and consider how we contribute to a future that is greener, cleaner and better. Living in island communities amplifies this responsibility, as we can plainly see and imagine the impact that climate change is having on our coastlines, valleys, towns and wildlife.

About Us -- Energy and

Sustainability Centre Isle of Man

The Energy & Sustainability Centre Isle of Man (ESC) was established to help the Isle of Man decide which options towards a low-carbon, sustainable future offer most benefit to the local community. As well as Business Director at ESC, Ralph Peake is Chair of the Isle of Man Business Sustainability Group, a task force within the Chamber of Commerce. As a Member of ...
