## Douglas council to build solar energy farm

Douglas council is to start producing its own sustainable solar energy. The local authority has approved funding for a solar farm to power some

of its facilities. The generation facility would be built in Braddan and have a life span of around 20 years. It's thought the savings will mean it'll effectively pay for itself within five to seven years.

## Solar Farm Plan Submitted - Gef - Isle of Man

'The solar farm would generate enough power to meet more than 7% of the Isle of Man's current electricity demand and support the Government's aim for electricity on the Island to be 100% green by 2030.' The project represents an investment of around £30m across the 40-year anticipated life of the project, with no public investment.
