

## Solar Energy South Africa

# Ivory Coast agg power solutions

## Overview

---

Is Karpowership a 'back-up' power plant in Ivory Coast?

The Ivorian government has opted for the offshore solution of the Turkish firm Karpowership over the onshore power plant option proposed by the UK's Aggreko. The contract to set up a 200 MW "back-up" power station in Ivory Coast has now been awarded.

Will a 200 MW 'back-up' power station be built in Ivory Coast?

The contract to set up a 200 MW "back-up" power station in Ivory Coast has now been awarded. According to our information, Karpowership, the Turkish floating power plant specialist, has won the call for tenders issued in June, pipping to the post the favourite Aggreko, the British firm that had proposed a land-based solution.

Who is AGG power?

AGG Power is a multinational company focused on the design, manufacture and distribution of power generation systems and advanced energy solutions.

What makes agg a world-class power supply company?

AGG is committed to become a world-class expert in power supply with the use of cutting-edge technologies, excellent designs, global service with various distribution locations all over the 5 continents, that culminates in the improvement of global power supply.

## AGG Power , Diesel and Gas Generator Sets

It is impossible to overstate the importance of emergency backup power for hospitals. A large number of clinics and hospitals around the world are equipped with AGG generator sets to ensure emergency power supply in case of main power failure, so you can always count on AGG to provide you reliable power solutions in this sector.

## Ivory Coast's \$20B Infrastructure Plan to Spur Economic Growth

Ivory Coast aims to increase its installed power capacity to 3.5 GW by 2025 and 8.6 GW by 2040. As part of this strategy, the country's Ministry of

Mines, Petroleum and Energy signed a memorandum of understanding (MoU) with renewable energy company Kong Solaire earlier this month to construct a 50 MW solar power plant in the Tchologo region.. This comes ...
