More men taking childcare leave in Japan

According to the Basic Survey on Employment conducted annually by the Ministry of Health, Labour, and Welfare, 30.1% of working fathers in Japan took childcare leave in fiscal 2023. This is an unprecedented 13.0 point surge over the previous year and the eleventh straight year-on-year increase.

JUX-292 I'm being playd by my father-in-law every day

Kaori (KAORI) spends a happy life with her beloved husband after getting married. One day after shopping, I see my father-in-law, Ginji, standing in front of my house. I had to stay at home for a while because I couldn't see my depressed father-in-law Ginji, who is amorous, began to chase after Kaori who took good care of him because of his love for people, and eventually he took a ...
