Overview

Are solar panels free in New Jersey?

No, solar panels are not free in New Jersey. Solar companies use the term “free solar panels” when they’re talking about solar leases and PPAs, which are financing options that don’t require upfront payments for the solar panels. You do, however, still have to make payments to the solar company.

What is a solar metering program in New Jersey?

SuSI is basically a net metering program that gives you renewable energy credits for the excess energy your solar panels produce. How much you get depends on your electric company and the current rates set by the program. For more on the options available in the state, take a look at our full review of New Jersey solar incentives.

Does New Jersey have a solar incentive program?

Finally, the state of New Jersey has the Successor Solar Incentive (SuSI) program, which is an updated version of its previous Solar Renewable Energy Certificate (SREC) program. SuSI is basically a net metering program that gives you renewable energy credits for the excess energy your solar panels produce.

Do you pay for solar panels in New Jersey?

Basically, the solar company owns the panels, and you pay the company to use the energy they produce. So, technically you’re not paying for the solar panel installation, but you still do have a payment to make. Third-party-owned solar systems are very popular in New Jersey.

Which solar company has the best customer service in New Jersey?

Momentum Solar offers the best customer service of any solar company in New Jersey thanks to its concierge service and single point of contact. Availability (10 points): Companies with availability in more than 40 states

received our highest score in this category.

Are third-party-owned solar systems popular in New Jersey?

Third-party-owned solar systems are very popular in New Jersey. In fact, 83% of residential solar systems installed in New Jersey in the last 4 years are third-party owned. Because of their popularity, you've likely heard the "free solar panels" speech at some point in the Garden State.
