Kosovo building 200MWh battery energy storage system

The government of Kosovo this week announced it will build a battery energy storage system (BESS) with a capacity of 200MWh-plus to deal with the country's energy crisis. The country's economy minister Artane Rizvanolli tweeted that the government has approved a program that will make use of a US\$234 million grant to build the BESS and

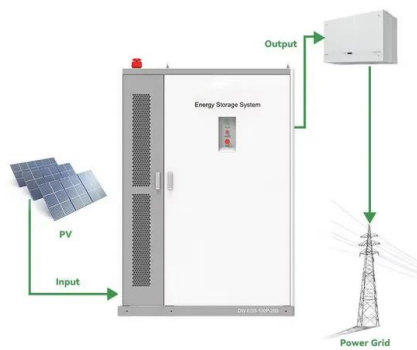

China's largest BESS player Hyperstrong targets US market

Fierce competition in China's domestic energy storage market by BESS providers has been noted in the last few years. Energy-Storage.news' publisher Solar Media will host the 2nd Energy Storage Summit Asia, 9-10 July 2024 in Singapore. The event will help give clarity on this nascent, yet quickly growing market, bringing together a community

Energy Storage Summit USA 2024

The Energy Storage Summit USA will return to Austin in March, taking place at a new and improved venue for 2024. The US remains at the center of the global energy storage industry, with California having surpassed 5GW of grid-scale energy storage installations this year, ERCOT going from strength to strength and new markets across the country opening up.

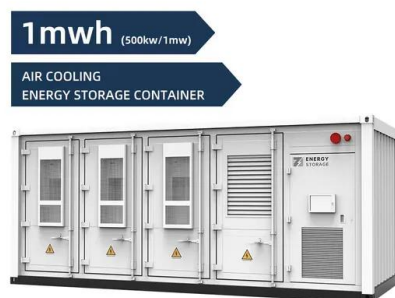

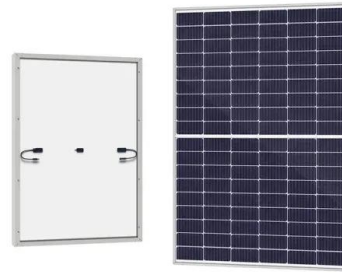

Kosovo

Kosovo has one of the world's largest lignite-coal reserves and it remains dependent on two depreciated and inefficient Yugoslav-era power plants which do not meet Kosovo's energy needs. Electricity consumption and peak demand in Kosovo grew more than 90 percent between 2000 and 2010, stabilized from 2011 to 2018, but increased by another
