Our Lifepo4 batteries can be connected in parallel and in series for larger capacity and voltage.

Solar Panel Installers, Serving Houston Texas & Surrounding Areas

KW Solar operates on market forces, not policy. The economics of KW Solar Houston solar installers are based simply on how much a solar system costs to install, and how much the market can afford to pay for it. The 30% federal tax credit, which was recently extended through 2019, is a big help to our customer base and opens the market considerably.
