? Two Milestones for a Green Future! This week, together with our partner ImWind, we celebrated two flagship renewable energy projects in Lower Austria: ? Agri-PV plant in Hohenau and Ringelsdorf: Over 24 MWp of clean solar power for 9,300 households, while preserving agricultural use and boosting biodiversity. Of the total production capacity, 14 MWp will be ...

BW Solar

BW Solar operates under the following key development principles: Specific target markets: We limit project development efforts to carefully selected markets. Early-stage projects: We only engage in the development of greenfield or very early-stage development projects. Quality over quantity: We focus our development efforts on a few high-quality opportunities over the ...
