Staco E3

Staco E3. 3.5-40 kVA Three Phase, On-Line
 Double Conversion, Uninterruptible Power
 Supply. In the event of an AC power failure, the
 Staco E3 UPS will automatically transfer to
 battery power and continue to provide power
 without any interruption for the full amount of
 time you select.

Manufacturing

Electrical power distribution anomalies such as
 harmonics, transients, sags, surges, interruptions
 and black-outs can be catastrophic for sensitive
 electronic equipment, process-lines and overall
 production. Process manufacturing companies
 rely on our "full-time" power quality protection
 for their equipment and systems. Staco is well
 aware of

 LFP 12V 200Ah

- 100KWH/215KWH
- LIQUID/AIR COOLING
- IP54/IP55
- BATTERY 6000 CYCLES

Products & Solutions

Staco recognizes the importance of how vital
 water and wastewater operations are to
 residential and industrial customers and the
 overall community. Reliability and up-time
 certainly are critical for proper service, plus
 managing overall costs can be just as important.

Products & Solutions

The first Staco Energy variable transformer was manufactured in Dayton, Ohio in 1937. Since then, Staco Energy Products Company has pioneered improvements in design and construction of equipment for industrial, commercial, medical and military applications: Standard and specialized variable transformers; AC voltage control; Power conditioning; UPS

Staco V

Staco V. 1, 1.5, 2, 3 kVA (Universal Tower / Rack Mount) Single Phase, On-Line Double Conversion, Uninterruptible Power Supply. The Staco V pluggable series of UPS provides the highest level of secure, conditioned power protection available for all power-dependent applications, ensuring continuous business operation even in the most demanding of ...

Staco Energy Products Announces Building Expansion

Staco Energy Products Announces Building Expansion. DAYTON, OH, May 17, 2021 - Staco Energy Products Company, one of the longest lasting innovators of Power Quality and Voltage Control technologies in the world, announced today that they will be expanding their manufacturing facility in Miamisburg, OH by adding on an additional 40,000 square

Products & Solutions

The Staco Energy Products Company's Staco series does exactly what it has to do to guarantee clean power ... It generates its own! The Staco series, a solid-state UPS, has been

designed to provide continuously regulated output voltage. For maximum flexibility, the Staco series will operate over a wide input voltage range at either 50 or 60 Hz.

Staco 924

Staco 924. 0.75 kW - 18 kW Single Phase, On-Line Double Conversion Emergency Lighting Inverter System (ELIS) The Staco 924 full range of centralized lighting inverters extend from 0.95kW to 18kW and provide full power protection for all emergency lighting applications.

Press

Company » Press Press. Staco Energy Hires Nathan Jones as a new Product Engineer To: Staco Energy Products From: Laura Bragg Date: July 18, 2024 Subject: Organizational Announcement. All, Please join me in welcoming Nathan Jones to Staco as a new Product Engineer effective July 1. Staco Energy Products From: Neil Jones Date: June 4, 2024

Staco SV

Staco SV. 1, 1.5, 2, 3 kVA (Universal Tower / Rack Mount) Single Phase, On-Line Double Conversion, Uninterruptible Power Supply. The Staco SV features a field-proven Digital Signal Processor (DSP) achieving high reliability, while providing protection from electrical power disturbances to the connected load.

Staco PPS

Staco PPS. Provider Power System test sets 0-1000 VAC, up to 3500 kVA Precise variable voltage power supply for all electrical testing application up to 4000amps. Staco Energy Products Co. has been supporting the power requirements of R& D labs for over 75 years. Our

PPS series provide precise voltage control for any electrical testing application.
