ZOLA Electric

ZOLA Electric , 41,346 followers on LinkedIn. Pioneering the world's first enterprise technology platform purpose-built for energy access markets. , Over a decade ago we started by installing smart, connected devices (Lithium-ion batteries and solar) that powered basic energy needs such as lighting for rural communities. Our theory is that thousands of networked, connected devices ...

The ZOLA Effect

ZOLA's journey began in Arusha, Tanzania, where the grid was not able to meet the growing needs of the people. Businesses were trying in vain to solve this problem, but were only addressing the issue with individual point

solutions, unable to scale as the need continued to increase. connected devices (lithium ion batteries and solar) we
