PRESS RELEASE: Marshall Islands Secures Historic \$60 Million ...

Majuro, Marshall Islands - In a historic leap toward energy independence, the Republic of the Marshall Islands (RMI) has secured a game-changing grant equivalent to US\$60 million from the World Bank (WB), building on the momentum of its achievements of the WB-funded Sustainable Energy Development Project (SEDeP). This landmark agreement - aptly ...

Marshall Islands

Paul Makumbe, CEO of Sunergise International says, "The people of the Republic of Marshall Islands are amongst the first to be impacted by climate change and sea level rising. For the Marshallese, sustainability is a way of life as resources in the archipelago are scarce. Replacing fossil fuel generation makes more than just economic sense."
