Home

Tetracore Energy Group "Tetracore" is an integrated energy solutions provider with a robust and increasing energy portfolio (natural gas and power delivery) across the energy landscape in Nigeria and a growing footprint within the African continent. We are driven with a singular goal to deliver clean, cost effective and sustainable energy solutions for power, commercial

Esther Okoro

I am an energy and environmental lawyer with keen interest in renewable energy advancement, particularly in the Global South. My professional experience stems from examining in unpublished works the role of the UNFCCC, Kyoto Protocol, and Paris Agreement in stimulating a global renewable energy transition, critically analyzing the variance between renewable energy and ...
