Clean Van Commitment launches to help fleet

operators speed ...

We're pleased to announce the re-launch of the Clean Van Commitment (CVC), a public pledge for fleet operators to speed up the switch to zero tailpipe emission vans and set an example for sustainable leadership. We're now administering the CVC and will be offering support to companies who commit to switching their petrol and [...]

Getting the most from capital allowances and grants

Energy costs have never been so high Research by the Government shows a variety of impacts. Over 70% of the respondents to the most recent ONS survey said they and their suppliers had to absorb costs reducing profit. In 20% of the cases manufacturers reported reducing production hours to compensate with just under 10% saying [...]
